

# PINK – U + UR HAND

Check it out goin' out on the late night  
Lookin' tight feeling nice, it's a cock fight  
I can tell I just know that it's going down, tonight

At the door we don't wait 'cause we know them  
At the bar six shots just beginnin'  
That's when dickhead put his hands on me, But ya see

I'm not here for your entertainment  
You don't really wanna mess with me tonight  
Just stop and take a second  
I was fine before you walked into my life

'Cause you know it's over, before it began  
Keep your drink just give me the money  
It's just you and your hand tonight

Midnight I'm drunk, I don't give a fuck  
Wanna dance by myself guess you're out of luck  
Don't touch, back up, I'm not the one... Buh-bye

Listen up it's just not happenin'  
You can say what you want to your boyfriends  
Just let me have my fun tonight, aight

I'm not here for your entertainment  
You don't really wanna mess with me tonight  
Just stop and take a second  
I was fine before you walked into my life

'Cause you know it's over, before it began  
Keep your drink just give me the money  
It's just you and your hand tonight

You're in the corner with your boys, you bet them five bucks  
You'd get the girl that just walked in, but she thinks you suck  
We didn't get all dressed up just for you to see  
So quit spilling your drinks on me

You know you are, High five and talking shit  
But you are going home alone, Aren't ya?

Cuz, I'm not here for your entertainment  
You don't really wanna mess with me tonight  
Just stop and take a second  
I was fine before you walked into my life

'Cause you know it's over, before it began  
Keep your drink just give me the money  
It's just you and your hand tonight

(repeat with ad libs)
