

PINK – WHAT ABOUT US

La da da da da, la da da da da, Da da da

We are searchlights, we can see in the dark
We are rockets, pointed up at the stars
We are billions of beautiful hearts
And you sold us down the river too far

What about us?

What about all the times you said you had the
answers?

What about us?

What about all the broken happy ever afters?

What about us?

What about all the plans that ended in disaster?

What about love? What about trust? What about us?

We are problems that want to be solved

We are children that need to be loved

We were willin', we came when you called

But, man, you fooled us, enough is enough,
oh

What about us?

What about all the times you said you had the answers?

What about us?

What about all the broken happy ever afters?

Oh, what about us?

What about all the plans that ended in disaster?

Oh, what about love? What about trust? What about us?

Oh, what about us?

What about all the plans that ended in disaster?

What about love? What about trust? What about us?

Sticks and stones, they may break these bones, but then I'll be ready, are you ready?

It's the start of us, waking up, come on

Are you ready? I'll be ready

I don't want control, I want to let go

Are you ready? I'll be ready

'Cause now it's time to let them know

We are ready, WHAT ABOUT US!?

What about us?

What about all the times you said you had the answers?

So what about us?

What about all the broken happy ever afters?

Oh, what about us?

What about all the plans that ended in disaster?

Oh, what about love? What about trust? What about us?

What about us?

What about us?

What about us?

What about us?

What about us?

What about us?
